

The six-mile loop, encompassing two causeways, bridges the Canal Street Historic District with the white, sandy beaches on the Atlantic Ocean. Whether it's shopping, great dining, art, history, outdoor events, or water-related activities, New Smyrna Beach offers true old-Florida charm for locals and visitors alike.

We're definitely MORE than just a beach!

The Arts have a permanent home in New Smyrna Beach. The city has consistently ranked among the finest in John Villani's book, *The 100 Best Small Art Towns in America: Where to Discover Creative Communities, Fresh Air, and Affordable Living*. Now, the Canal Street Historic District has evolved into the area's art, design, and home decor district, as well.

Fine Art Galleries and Festivals afford art enthusiasts opportunities to soak up the cultural atmosphere, take classes, and even purchase beautiful creations for their own homes!

Music lovers, too, flock to New Smyrna Beach for the annual Downtown Music Festival in March and the Jazz Festival in September. These and other delightful concerts feature world-famous musicians for all to enjoy!
